

Pyle Machine Company, Inc. is committed to achieving the highest standards of quality for the products and services we provide our customers. In doing so, this Quality Policy has been formulated, implemented, and is committed to:

- Consistently meeting customer requirements/expectations,
- Always providing our customer with the best products available,
- Continually improving the quality management system and the service we provide to our customers.
- Adhering to all applicable requirements from the customer, relevant Interested Parties as well as those requirements defined in the International Standard.

In an effort to make our policy memorable to all employees and customers, we have decided to adopt a Quality Slogan that we feel incorporates all the statements listed above. That slogan is:

Committing Quality to Our Customers

Based on our Quality Policy, our Quality Objectives have been established in order to strive towards our goal of improvement. They are defined in OM-100 Appendix F, Target Attainment Plan (TAP).
